

Frog's Tooth October 2 & 3, 2026 Vineyard Party

...we've added a few twists...

Friday Night October 2

Christine & Rick Servando, longtime club members and always our purveyors of phenomenal salads and other delicious creations, are bringing an Oktoberfest theme to the evening.

The menu will feature brats braised in Frog's Tooth Sauvignon Blanc (vegetarian option available), sauerkraut made with Frog's Tooth Merlot, Christine's Butternut & Acorn Squash Soup, and German Potato Salad.

After dinner, we'll settle in for a movie or game night... and maybe even a hayride!

Saturday Morning 5:00 AM October 3

People keep asking for a true vineyard/winery experience... so here it is! If you like getting at 5:00 AM—yes, we know that's early!—join us as we complete the final step of this year's harvest. We'll pick one bin of Malbec followed by one bin of Petite Sirah.

Right after the pick, **we'll get to work processing the grapes through the crusher-destemmer.** There will be plenty of action as Larry and Tana lead the charge to get this beautiful fruit into a stainless-steel tank. You'll witness the very beginning of our appropriately named Hailstorm Port—the start of a two-year winemaking adventure!

Saturday Afternoon! 2:00 PM

Included at no extra charge with your party or camping reservation: a special barrel tasting of 4 wines from 2025 & 2026, to share and offer for purchase.

These wines are scheduled to be bottled in early December, **making them available just in time for the holidays.** Wine futures will be available for purchase this weekend at the lowest price these wines will ever be offered.

Saturday Afternoon & Evening continued

4:00 PM - Bottled wine tasting with wines available for dinner.

5:00 PM - Dinner with Chef Lyle & Phung. Chef Lyle will be changing the menu:

Italian Misto Salad with fresh dinner rolls

Beef Braciola (flank stuffed with prosciutto, herbs, garlic and cheese) All braised in a rich red wine reduction sauce (of course FTW wine)

Grilled Salmon with fresh mozzarella, tomato and pesto. Tossed tortellini with butter garlic and Pecorino Romano cheese.

Then dance to the music of She Calls Him Wilson Band. Wine, Food & Music... what could be better?

Weekend Camping at the Vineyards is still available!
